

## Sustainable Development Goals in education and in action!

### What's new?

#### ESDGs! June meeting

📅 24 June

where we met online to provide feedback on the piloting of the course, and there was also a review of task completion

#### ESDGs! TPM 4

📅 10–11 September

was held at the **University of Madeira** to sum up the entire collaboration on the project – from piloting the online and offline course, risk assessment to discussion of the ongoing multiplier events at individual partners

#### ESDGs! October meeting

📅 21 October

where we met online to fine-tune the final details and have all the outputs of the ESDGs! project ready
